REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Throughout the 2011-2012 school year, Wilder Elementary School continued the road to excellence by using data to drive instruction, which fosters academic growth for all students. Teachers and instructional leaders utilize Measures of Academic Progress (MAP) as one tool to provide necessary information to meet the individual instructional needs of students in grades K-5. Our recent implementation of MAP allowed us to see steady growth in our students each assessment period. The growth trends were enhanced through student, parent, and teacher goal setting which were held during fall and spring parent conference times. Daily RIT groups, flexible grouping, and differentiated instruction taught by all certified staff as well as support staff allowed students to have one-on-one or small group instruction.

To stay on the cutting edge of providing our students with effective teachers, Wilder instituted the Teacher Advancement Program (TAP) in mid-January. The in-depth focus on delivery of instruction through the TAP process and continued use of scientific-based strategies has made a remarkable impact on teachers and students. Wilder's staff, through intense training and weekly professional development, saw how the TAP process resulted in increased student achievement along with teachers showing growth in the quality of planning and executing daily lessons. The weekly professional development became a place of comfort to share instructional strategies as well as receiving support from colleagues. Within the building, select certified personnel moved up the career path as a mentor or master teacher providing everyday support for our staff.

As a result of our continued hard work, Wilder once again received the Palmetto Silver award (general performance). Character development remains a priority at Wilder Elementary School. We started the year with mentoring programs, Boys Into Gentlemen (BIG) and Girls Into Real Ladies (GIRLS). Our caring students collected and donated funds for Jump Rope for Heart, Leukemia Society with "Pennies for Patients" and the local YMCA "Change a Life Campaign". To promote good citizenship in our students, we recognize Terrific Kids, Writer of the Week, and SOARing High character on the Wake Up Wilder morning show. One unique project included our exceptional students as they participated in Project Unified. The staff and Sumter community share the mission to provide all children with an opportunity to excel in academics and in personal and social areas.

The school PTA and SIC have been dedicated to the needs of everyone at Wilder Elementary. Our PTA supported our staff in purchasing a poster maker along with making everyone feel special during Staff Appreciation Week. The SIC implemented mandatory school uniforms starting 2012-13, which was unanimously voted on by the parent body through a survey. With students, parents, staff, and community working together, we can continue to "SOAR to the Highest."

Maria Newton-Ta'Bon, Principal
Charles Thompson, SIC Chairperson
